

Strategic Plan

FY 2027-29

Vision

Safe Compliant Building

Mission

To achieve the highest standards of professionalism

01

Engaged and growing membership

- **Whole-of-system approach** to growing supply of building surveyors
- **Engagement throughout career lifecycle** from school leavers, through university, early career to accreditation
- **Accreditation model** supporting all forms of building surveying practice, covering both statutory and non-statutory building surveyors
- **Adoption of AIBS Accreditation** as a pathway to registration across all jurisdictions
- **Value proposition** focused on accreditation, professional development, advocacy and access to professional network and resources

02

High standards of professional practice

- **Robust and evolving accreditation model** ensuring high standards of practice
- **Backed by the AIBS Professional Standards Scheme** which limits the liability for members and ensures that AIBS is well positioned to monitor and manage professional risk
- **Professional development program** evolving with the changing needs of the market and informed by a deep understanding of professional risk
- **Accreditation of building surveying courses** ensuring requisite knowledge and skills of new entrants
- **Clear communication** of the benefits and obligations of accreditation and participation in the Professional Standards Scheme

03

Focussed advocacy

Focussed advocacy that positions AIBS as the peak body, a trusted authority and co-regulator

Objectives to:

- Enhance AIBS public profile and reputation
- Enhance understanding and reputation of the building surveying profession
- Influence Policy Reform
- Lift and maintain professional standards
- Improve operating environment for building surveying

04

Highly capable organisation

- **Strong customer orientation**
- **High-quality** member and customer experience
- **Progressive investment** in technology platforms as key enablers
- **Robust compliance capabilities** underpinning the AIBS Accreditation model and Professional Standards Scheme
- **Fostering a culture** of continuous improvement

05

Organisation culture founded on trust
